4 June 1950

SUBJECT 2 Payment of Per Dien to Military Personnel on Thy Orders  1. You have requested our views on the claim for per dien of in connection with Thy performed at an Agency training site where Government quarters and meals were furnished.  2. Is correct in assuming that entitlement to allowance is governed by service regulations, Accordingly, it is our opinion that payment of per dien on a reduced scale, as authorized by the Joint Travel Regulations, would be proper. With regard to mileage for use of privately owned vehicles, it should be noted that the rate for the military is 7 cents per mile. Thus, to the extent that are not any others similarly situated were paid at the higher civilian rate, a refund or adjustment is in order.  3. Your papers are returned.  Assistant General Counsel	•			
1. You have remested our views on the claim for per diem of in connection with TDY performed at an Agency training site where Government quarters and meals were furnished.  2. Is correct in assuming that entitlement to allowance is governed by service regulations. Accordingly, it is our opinion that payment of per diem on a reduced scale, as authorized by the Joint fravel Regulations, would be proper. With regard to mileage for use of privately owned vehicles, it should be noted that the rate for the military is 7 cents per mile. Thus, to the extent that or any others similarly situated were paid at the higher civilian rate, a refund or adjustment is in order.  3. Your papers are returned.
